The metal gear solid series has been a very popular one but this latest version of the game has taken it to another level and has received a great response from the fans all over the world. The game is about a mysterious army that keeps on conducting war against the world. The twist in it is that this group keeps on doing so without being visible to the eyes of the world, and this remains a mystery till the end. The story of the game revolves around "Solid Snake" who is badly wounded at the beginning of the game. The story takes off from there and reveals more about Big Boss, his background, how he was recruited by this mysterious army, why he always wears a bandage over his face, etc. But since this is Metal Gear Solid series we all know it's not going to end here. The story continues with many twists and turns till its end.
